Hometown Strasburg is supplying the 30" x 60" banners--the same size as those currently hanging on our streetlamp poles downtown. Each artist will choose their own design, and the Committee has asked that the wording, "Strasburg, Virginia – Celebrating 250 Years," be on each one. These special, one-of-a-kind banners will be hung in town soon after the first of the year and will be auctioned off at Oktoberfest, 2011. The monies realized from the auction will be used to help fund the remaining Anniversary events. We are very grateful to all of these artists and to the Strasburg High School Art Department for donating their talent and time to this project.
